

new restaurants on the menu

station street dining

Watergardens Town Centre will be just the place for a lazy lunch or a great night out with a whole new street of restaurants on the way!

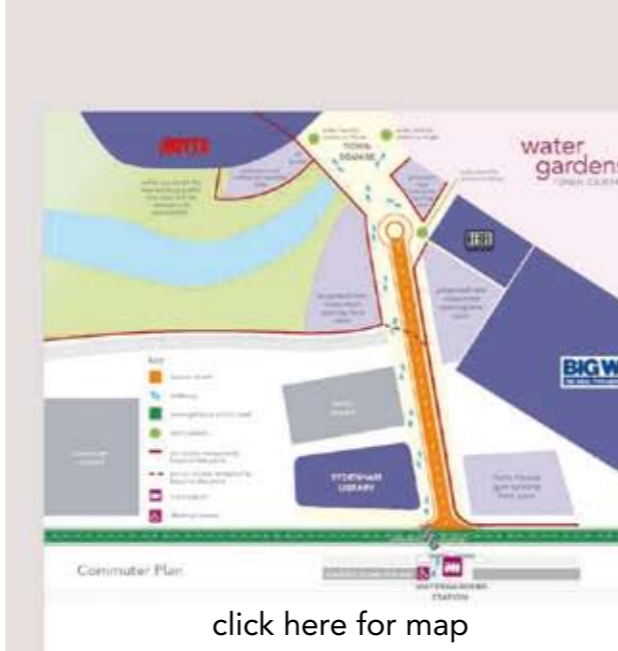

Located along Station Street, these exciting new restaurants will extend from the Town Square to Watergardens Station.

The new restaurants will offer a wide range of cuisines, from traditional Italian, Asian, modern and café-style cuisines.

Construction of the restaurants has commenced and is expected to take about 12 months to complete.

"The street has been designed as a meeting place for people of all ages, with an emphasis on family dining..."

TOWN CENTRE

easy access

Station Street will be easy to find and parking will be a cinch, with 400 new spaces located just near the Sydenham Library.

From Melton Highway, just head to the undercover car park where a lift will take you to Station Street. From Kings Road, go straight to the rooftop carpark and take the lift or escalator straight into Town Square.

While we are building the restaurants, the crossing between the Library and Watergardens Station will continue to provide pedestrian access. Disabled access is still available on the Library side of Station Street. The most convenient entry via the Rebel Sport and Town Square entrances will still remain.

Commuter car parking and disabled parking, will be maintained in the existing commuter carpark adjacent to the Library. Shopper and other Watergardens Town Centre parking will be unchanged during construction.

If you have any questions about access to the Centre or the Station, please don't hesitate to contact our Customer Concierge on 9361 5555 or visit us inside Watergardens Town Centre, just before Big W in the main mall.
