Our next two Melbourne events are:

@Jells Park, Wheelers Hill Sunday 4 March 2012 and

@Brimbank Park, Keilor East Sunday 25 March 2012

Sponsorship Package: \$350 for one event or **\$600** for both

Spinal Muscular Atrophy is a muscle-wasting genetic disease that is the most severe form of Motor Neuron Disease. Type 1 is the No. 1 genetic killer of infants under the age of two. Unfortunately, 1 in 35 people unknowingly carry the gene for SMA. When both parents carry the gene they have a 1 in 4 chance of having a child with this disease. The Association is dedicated to helping affected families, providing life-saving medical equipment and funding for research. We rely solely on funds raised and receive no government support.
