

TEMPORARY CLOSURE OF MELTON HIGHWAY BETWEEN OVERTON LEA BOULEVARD AND MCCUBBIN DRIVE

Melton Highway will close temporarily in both directions between McCubbin Drive and Overton Lea Boulevard from 8pm on Friday 28 July 2017 to 5am on Monday 31 July 2017.

The closure will enable bridge beams to be installed and the overhead electrical lines to be modified on the Sunbury line. The overhead lines will be temporarily lowered during the road closure to a height that is unsafe for vehicles to travel under or near.

The installation of the bridge beams will be a significant milestone for the project and the future of the Sydenham area.

Businesses will remain open as usual. Access to Watergardens Town Centre and surrounding businesses will be available via detours.

Detours for east and westbound traffic will be available via Taylors Road, Hume Drive, Kings Road, or the Calder Freeway. Comprehensive detour signage will be placed along detour routes during the closure.

Planned detours and updates will be available on our website closer to the closure dates:

<http://levelcrossings.vic.gov.au/crossings/melton-highway>.

Please allow extra time for your journey during this period.

We are committed to keeping residents informed and minimising the inconvenience throughout construction, while keeping the community and workers safe.

If you have any questions about the project you can contact us on 1800 762 667 or via email at contact@levelcrossings.vic.gov.au. We appreciate your understanding during these works, as we make major improvements to Melbourne's transport network.

Kind regards,

Melton Highway Level Crossing Removal Project Team
